Among the articles in this issue is a special contribution from the Brazilian Ophthalmology Society on its guidelines for refraction in preverbal children. Our thanks go to the Society for its efforts in disseminating these guidelines, which are so important in daily clinical practice.

This issue of e-Oftalmo also welcomes to the editorial team Doctors Keila Monteiro de Carvalho and Milton Ruiz Alves, who bring their wealth of expertise in their respective fields, extending the scope of the journal. We very much look forward to a long and fruitful collaboration.

We welcome all your contributions. Indeed, we would urge the whole Brazilian ophthalmological community to contribute to the journal. Browse the website to see the editorial policies and then send us your articles for evaluation. We hope we will be able to publish them as soon as possible.

With our best regards,
Carlos Augusto Moreira Júnior
Keila Monteiro de Carvalho
